***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance:

Applicant's arguments filed 31 March 2009, with respect to independent claim 1 (see page 17, line 25 - page 19, line 4) and independent claim 15 (see page 19, line 22 - page 21, line 5) respectively, have been fully considered and are persuasive for the reasons advanced by Applicant. Therefore, the rejection of these claims has been withdrawn. Since no other known prior art teaches or suggests each of the limitations in claims 1 and 15, they are allowed along with the claims dependent thereon. In addition, each of independent claims 8, 10, 17, 20, 30, 41 and 54 were amended to clarify and distinguish the nature and location of the slot through the guide members, as set forth in these claims. Since neither the applied art nor other known prior art teaches or suggests each of the claim limitations, including those pertaining to the slot as distinguished by way of amendment, independent claims 8, 10, 17, 20, 30, 41 and 54, and the claims dependent thereon, are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Comstock whose telephone number is (571) 272-4710 (a detailed message should be left if Examiner is unavailable). If attempts to reach the Examiner by telephone or voicemail are unsuccessful, the examiner's

supervisor, Eduardo Robert, can be reached at (571) 272-4719. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
